## **MEDIA ADVISORY/2016 WORKSHOPS ANNOUNCEMENT**

### **[head] A MUST SEE EVENT! ANNOUNCING ALL NEW WORKSHOPS! [subhead] Three Days of Eco-Friendly Practices & All-New Green Living Workshops**

The Home Garden and Green Living Show is excited to announce the first confirmed seminars with dozens more to come that will be part of the upcoming Southern Energy & Environment Educational Workshops in March 2016. Various topics will be covered including green building, electric vehicles and natural native landscaping.

Ned Ryan Doyle, Educational Coordinator for the 2016 Home, Garden & Green Living Show and former Director of the Southern Energy & Environment Expo (SEE EXPO) from 2001 through 2010, said, "It's exciting to team up with the longest running Home Show in WNC and once again offer workshops and programs that folks need to help them 'go green' in and around their homes and community. Hundreds of exhibitors will be there to offer great services and products at the HG&GL Show."

Doyle said, "We will have the final schedule for dozens of workshops and forums by early January, all free with daily admission. These are just a few of the many workshops for the event, and we're very glad to have them participate." These include informational programs from the Blue Ridge EV Club, a chapter of the Electric Auto Association, the WNC Green Building Council and Carolina Native Landscapes on the following subjects:

- **Electric Vehicles: Transportation for the Future Today**  
**EV 101: What is an Electric Vehicle and what's it like to own one?**
- **Electric Vehicle History and Feasibility**
- **Green Building for Your Home**
- **Remodel for Health and Energy Efficiency**
- **Green Building 101**
- **Building a New Green Home**
- **Green Living Outside Your Home with Native Landscaping**

**About the WNC Home, Garden and Green Living Show:**

The 41st Annual WNC Home & Garden and Green Living Show is back and it's BIGGER and BETTER than ever! The premier green living event in Asheville has partnered with the Southern Energy and Environmental Educational Series (SEE EXPO) and will be held at the U.S. Cellular Center in downtown Asheville March 18-20, 2016. As the longest running and most attended WNC Home Show, it will feature products and services for the home and garden as well as dozens of new seminars and workshops with topics ranging from electric vehicles, solar energy, sustainable gardening and everything in between! To join this event or for more information, visit [www.homegardenandgreenlivingshow.com](http://www.homegardenandgreenlivingshow.com).

Tickets are available in advance on the show website:

[www.homegardenandgreenlivingshow.com](http://www.homegardenandgreenlivingshow.com) or at the show office at the U.S. Cellular (formerly the Civic Center) Box Office, on website and are on sale during event hours.

ALL TICKETS INCLUDE DAILY SEMINARS AND WORKSHOPS!
